WESTMEADE UNITED APPEAL FUND

The Westmeade United Appeal Fund was established for the purpose of generating resources for missions and ministry.

Through its Christian partners, countless lives are touched by the love of Christ. Ministries include: First Priority of Greater Decatur, The Morgan Baptist Association (The Caring Place, which provides help for those who need food, clothes, cleaning supplies, furniture and other household items; Disaster Relief teams who provide assistance to homeowners and volunteers during times of crisis such as a hurricane or tornado; and English as a Second Language which provides a learning environment for those who wish to learn to speak English in addition to their native language. Resources also provide opportunities to do local and international missions through mission trips and local outreach on college campuses). Monies are also used to support local benevolence.

The United Appeal Fund retains **absolutely no money** for administration which allows 100 percent of all resources to be used for the purpose of making a difference in the lives of thousands of people each year. We are extremely grateful for your support through the Westmeade United Appeal Fund.
